

B. R. C. A. C Presents

Special race Day, just for Formula One race Aircraft

On Saturday the 17th of August, race time 12 noon.

This race day is totally separate to the Sunday race event on the 18th of August.

Bendigo is trailing the interest in the Scale racing event of Formula One (F1) this includes the aircraft of , the H9. Sundowner and the Seagull Nemesis, as per the rules advertised in the RCM news web site. (Re- Steve Green)

Entries would need to number 6 to 8 (or more) to make the race day viable, if you're interested please lodge an entry form by the first (1st) of July, if insufficient entries aren't received by this date, the event will then be cancelled, as we have to organise staff and the necessary workers (Light Marshalls etc) for the racing to proceed on the Saturday 17th.
